Project-manager / Frontend Developer

Outfit.io

05/2019 - 04/2021 Remote

Worked on an interesting branding automation platform. Daily gathered instructions about the tasks, built and maintained MustacheJS templates - banners, flyers, brochures, and animations for online advertising.

As a project manager, I received additional obligations - gathering more tasks from the clients, tracking the required timing for each task, delegating tasks to colleagues depending on their experience, and helping colleagues with the realization of their own tasks.

Business Development Assistant

Solutium - Digital Content Agency

09/2017 - 07/2018 Subotica, Serbia

Worked on a variety of tasks as a Business Development assistant in a company in growth. The tasks included internet research, gathering information on different topics, and sorting that data in adequate documents. Social media marketing and advertising (Twitter, Facebook, Instagram) using the content (videos, 2d animations, image posts) that I created. Other notable tasks include video montage for some of the most recognizable brands in Serbia.

Coordinator Assistant

Infostud Hub

09/2017 - 11/2018 Subotica, Serbia

Worked as an assistant in an IT education center and coworking space. My tasks included management and space coordination. Issuing invoices, and extracting daily and monthly reports. Recording of the educational meetups, video editing, and putting videos on Hub's Youtube channel.

SUMMARY

I am a dedicated, organized and methodical individual. I have good interpersonal skills, an excellent team worker, very willing to learn and develop new skills. I am reliable, dependable and often seek new responsibilities. I have an active, dynamic approach to work and getting things done. I am determined and decisive. I identify and develop opportunities.
